

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION 5

9311 GROH ROAD

GROSSE ILE, MICHIGAN 48138

May 7, 2015

MEMORANDUM

SUBJECT: Azzo Site (C56Y) Initial Assessments

FROM: Brian Kelly, OSC
Emergency Response Branch 1

TO: File

Background

- Lot Size = 0.55 acres. One building (approx. 4800sqft) and parking lot.
- The building is abandoned and unsecure, with evidence of trespassing.
- The Detroit Fire Department discovered the site and reported it to the NRC - Report #1113909.
- The DFD has requested EPA assistance in removing the threat.

Environmental Issues

- DFD reported 5 55-gallon drums and 20-25 small containers.
- EPA conducted a site visit and documented corrosive and flammable labels on the waste.
- The site is abandoned, unsecured, and there is evidence of trespass.
- Homes and businesses are located in the immediate area.
